ADDITIONAL INFORMATION FOR COACHES

At WSG26, national coaches may skate down the racetrack with the athletes of their national team. This will be subject to the following rules, with no exception:

- Only accredited coaches will be allowed to ride;
- Only one coach per nation will be allowed to ride during the whole event. If more than one coach is accredited for a given nation, one of them will need to be chosen. If any National delegate is seen riding without World Skate's explicit permission, the nation's athlete's results in competition may be affected as a consequence;
- Coaches must comply with the same rulebook, technical inspection, and liability waiver as athletes;
- Coaches must wear a bib provided by World Skate to distinguish themselves from the athletes. Bibs must be returned upon finalization of the last practice day;
- Coaches must NOT ride with athletes from other nations, or with other coaches. Therefore, coaches will only be allowed to ride:
 - With athletes of their own nation;
 - Alone, after all athletes have gone down;
- Coaches may ride with athletes of any discipline;
- Coaches may only ride during practice days. They are NOT permitted to ride during competition days, not even during warm-up runs;
- If any coach at any time infringes any of these rules, alone or in combination with others, World Skate will remove that coach's right to ride.

PRE-SEEDED ATHLETES

The top 5 athletes in each discipline and gender from the final results of World Skate Games Paraguay 2026 will be pre-seeded for the next World Skate event (applicable only to World Cup or World Championships).

Pre-seeded riders will:

- not count against their country's rider quota;
- be eligible for the 2nd run of time trial without needing to do a 1st run in the time trial. Their positions in the 2nd run will be in addition to those riders eligible based on times in the 1st run.

Each National Federation must confirm the participation of its Pre-seeded Athletes within the World Skate Infinity Platform (browser version only) by the registration deadline. Please do not register Pre-Seeded Athletes within your Country Quota on your own, wait for them to be added and confirm (or not) their participation.
